

OUT TOGETHER

If you are a potential or current NDIS participant or worker and identify as LGBTIQ+ we want to talk with you!

Wellways is looking for individuals to join our Out Together project, an innovative pilot which will help shape the future of NDIS inclusivity for lesbian, gay, bisexual, trans*, intersex and queer (LGBTIQ+) people.

For NDIS participants who identify as LGBTIQ+, Out Together might be for you if you want to:

- Connect with a worker who identifies as LGBTIQ+
- Get support from someone who has been there and understands
- Exercise real choice and control under the NDIS

For current or potential NDIS Workers who identify as LGBTIQ+, Out Together might be for you if:

- you want to gain specialised training on how to use your lived experience in a meaningful and safe way under the NDIS.

To be part of this exciting opportunity please contact:
